Full stack web developer with a passion for learning new skills and building useful tools. With experience in Ruby, Rails, JavaScript, and React and a background in the music industry, I bring strong skills in project management, verbal communication, and attention to detail. I am excited to be a part a team that's building tools to positively impact people's lives everyday.

TECHNICAL SKILLS

Ruby, Rails, JavaScript, React, SQL, GraphQL, HTML, CSS, Node, Express

TECHNICAL PROJECTS
